7. How it works

The "My Intimissimi" Card allows customers to gain 3 different STATUSES by earning loyalty points on their purchases. Customers will receive an increasing level of benefits in accordance with their Status.

Silver Status

- This is immediately gained when the "blank" card is activated/registered;
- Once "Silver Status" customers have earned 200 points, they are promoted to the next level: "Gold Status", and will immediately be credited with any points in excess of those used to gain the new status;
- "Silver Status" Customers who fail to earn 200 points within 365 days of the date they enrolled will remain at the "Silver Status" level and their points balance will be reset to zero.
- "Silver Status" customers who earn 1,000 points before achieving "Gold Status" will be promoted directly to "Platinum Status" and will immediately be credited with any points in excess of those used to gain the new status.

Status Gold

- Customers gain this status once they have earned 200 points. The new status will immediately be credited with any points in excess of those used to be promoted to the next level;
- Once they have earned 1,000 points, Customers are promoted to "Platinum Status" and are immediately credited with any points in excess of those used to gain the new status;

A year after gaining "Gold Status", and every year after that, Customers will maintain "Gold Status" for another year if they have earned between 200 and 999 points, his/her points balance will be reset to zero;

will return to "Silver Status" and have their points balance cancelled if they have earned less than 200 points

Status Platinum

Customers will gain "Platinum Status" if they have earned 800 points since gaining "Gold Status" or 1,000 points since gaining "Silver Status". Promoted customers will immediately be credited with any points in excess of those used to be promoted to the next level;

A year after gaining "Platinum Status", and every year after that, Customers: will maintain "Platinum Status" for another year if they have earned at least 1,000 points, with any points in excess of those used to keep this status being maintained;

- will return to "Gold Status" and have their points balance cancelled if they have earned less than 1,000 points.

Each change of status, as well as all communications concerning participation in the loyalty scheme, which are strictly indispensable for providing the services connected to it (such as, for example, confirmation of subscription/cancellation, changes in status, special discount offers or exclusive gifts) must be considered necessary to the operation of the scheme itself. Therefore, by accepting these Rules, the Customer agrees to receive said communications, which will be sent to the addresses given on the registration forms for the scheme. Refusal to receive said communications shall prevent the Company from implementing the scheme and providing the services associated with it. Any refusal expressed during the course of the scheme shall result in an automatic interruption to the same.

8. earning points

Loyalty points will be automatically credited to the "My Intimissimi" Card activated upon each purchase made at an "Intimissimi" store participating in the scheme or via the e-commerce website at www.intimissimi.com/myintimissimi. In order to accumulate the points, the Customer-holder must identify himself before the payment, by presenting his Card or by indicating in point of sale his name and surname or the e-

mail address used for the activation of the Card. For the online purchases, Customers shall previously register their Card number under their e-commerce account. The insertion of the Card number shall be done only once and, for the following purchasing the system will automatically remember it. The non-identification of the Member as described above will not accumulate points, even after the purchase. The loyalty points will be automatically accumulated on the activated Card. One point will be given for each euro spent and the point counter is incremented by points according to the scale below. The amount spent per purchase (excluding delivery charges) will, as part of the calculation of points, be rounded to the lower round sum if it included decimals. Example: €1.99 = 1 point. Should the card holder fail to provide identification in the manner specified above, then points will not be earned, and it will not be possible to have them credited subsequently. Customers may check their points balance at any time by requesting it at any “Intimissimi” store participating in the scheme or via the website www.intimissimi.com/myintimissimi. Points will be credited and recorded daily by the system; in the event of technical problems, they may be credited within a longer period of a maximum of 15 days. Issuance of a “Gift Card Intimissimi” will result in a credit of the correlating number of points. Subsequent purchases paid partially/entirely with a Gift Card by the holder of the same will not, therefore, earn any points for the part of the purchase paid for using the Gift Card. Promotions involving double or triple points may be organised and these will be advertised accordingly. The Card is in no way a payment card; the points credited to it cannot be transferred or converted into cash or goods.
