We may also offer promotions, for a limited amount of time, that enable our customers to earn double or triple points on select purchases, in our sole discretion and as advertised from time to time. Only for purchases in Russia, the loyalty points will be credited subject to prior presentation of the Loyalty Card.

Eligible purchases include regular priced merchandise and exclude sales tax, discounts, handling charges, shipping and delivery charges, and/or other excluded charges specified by us from time to time. You may also earn points by purchasing an Intimissimi gift card; provided, however, that you will not earn any additional points when making purchases entirely or partially paid for with such gift card.

In order to earn points, Members must present the Card, or provide name and email address, at checkout at Participating Stores before the payment is processed or, for online purchases, link their Card number to their “My Intimissimi” account and complete the checkout procedure on the Website through the account associated with the Card. For the avoidance of doubt, the Card must only be linked once to your account in order to earn points through online purchases. Any points that you would have earned in connection with a purchase made without presenting your Card, or your name and email address, prior to payment cannot be added to your account at a later time.

If you return any purchased merchandise or otherwise cancel a purchase previously made, points earned in connection with such transaction will be deducted from your account.

You may check your points balance at any time by requesting it at any Participating Store or by accessing the account associated with your Card on the Website. Points are typically added to your

account within twenty-four (24) hours of purchase; in the event of any technical malfunction, we may experience a delay in awarding points for up to fifteen (15) business days.

The later to occur of: (i) twelve (12) months after the date of activation of the Card, or (ii) if you achieved a new status during any such twelve (12) month period, twelve (12) months after the date you achieved a new status is referred to herein as the "Anniversary Date". After each Anniversary Date, you will start earning new points.

Membership status levels

You will be placed in one of three (3) levels based on the number of points earned through eligible purchases before each Anniversary Date. Status in any given level is valid for the twelve (12) month period after the date you qualify for such status. Thereafter, you need to earn enough points to maintain your status.

The three (3) Program levels are:

Level 1 – "Silver" Status

Upon activation of the Card, you will be placed in the first level, "Silver" status. If you are still in "Silver" status on the Anniversary Date, any points earned to date will be reset to zero.

- Once "Silver Status" customers have earned 200 points, they are promoted to the next level: "Gold Status", and will immediately be credited with any points in excess of those used to gain the new status;
- "Silver Status" customers who fail to earn 200 points within 365 days of the date they enrolled will remain at the "Silver Status" level and their points balance will be reset to zero.
- "Silver Status" customers who earn 1,000 points before achieving "Gold Status" will be promoted directly to "Platinum Status" and will immediately be credited with any points in excess of those used to gain the new status.

Level 2 – "Gold" Status

To reach "Gold" status, you must earn 200 points prior to your Anniversary Date.

Once they have earned 1,000 points, Customers are promoted to "Platinum Status" and are immediately credited with any points in excess of those used to gain the new status;

If on your Anniversary Date you have earned between 200 and 999 points, you will maintain "Gold" status for the following year, any points in excess will be carried over to the next year. . If you do not earn at least 200 points before the Anniversary Date, you will return to "Silver" status, and any points earned to date will be reset to zero.

Level 3 – "Platinum" Status

To reach "Platinum" status from "Silver" status, you must earn 1,000 points prior to your Anniversary Date; to reach "Platinum" from "Gold" status, you must earn 800 points prior to your Anniversary Date. If on your Anniversary Date you have earned at least 1,000 points, you will maintain "Platinum" status for the following year, and any points in excess of 1,000 will be carried over to the next year. If you do not earn at least 1,000 points before the Anniversary Date, you will return to "Gold" status, and any points earned to date will be reset to zero.

Once you have earned enough points to qualify for the next level, you will receive an invitation at the email address provided upon creating your account to pick up a new Card at any Participating Store. The new Card will be activated at the Participating Store upon pick up. The new status will be immediately active, regardless of when the new Card is obtained. Upon reaching a new status, the points accumulated in the previous status will automatically reset, and any points earned in excess of those needed in order to reach the new status will be immediately credited to your account. For example, if you are in "Silver" status and earn 500 points through eligible purchases, you will be placed in "Gold" status and your new balance will be 300 points.
